ARE YOU A SUPERSTAR?? ☺ (yes!)

MCYO is looking for current members who have been in MCYO for at least TWO years to film a testimonial for our website. If you are interested, let Cathy know. Start thinking about what you like about MCYO, how it has impacted your life, things that will let others know MCYO is THE place to be on Saturday mornings. We hope to have these on the website in the next month or so.

Looking ahead to April... ..

Mr. Power plans on taking the ENTIRE Symphony Orchestra for a couple of "run out" concerts at area schools sometime in April. We are still working out the details...but think of it like the Raue "Symphony Day". It is a way to MCYO to students, so that they can see what "orchestra" is all about! Believe it or not, there are some that are intimidated by that word and not so sure how "cool" it is to be in one. Seeing + hearing all of you will help them to understand how great it is to be a member of MCYO. We will work this so that it does not interfere with AP testing...but this is considered "mandatory" and Cathy will provide you with a note for the attendance office stating this is a community service event (it is) and therefore your absence should be marked excused! More details to come, but wanted to give you a heads up!!

No Stress Fundraiser Update:

Our goal: \$9,000 (or more)
Raised to date: \$3,675.00
We are at 41% of our goal. We're hoping for 100% participation. To date 31 families & 3 board members have participated.
